A warm welcome to you

Newtech Bathroomware will always come to mind when you think local. Operating for over 20 years now from the regional town of Whanganui, you can't get any more kiwi than us.

We aim to be New Zealand's leading bathroomware provider and are pleased to be in many Kiwi homes throughout the country already.

We have made it our business to support NZ businesses and have recently moved into our newly built warehouse and distribution centre at 30 Mill Road, Whanganui. This new facility is armed with the latest manufacturing technology, capable of high speed automated production.

Our range of products is vast and continues to expand as we grow. The Vista Range, Laundry Collection and Serenity Range are designed and assembled in our purpose built Whanganui manufacturing centre, by our local team of cabinetmakers. Our team are on site to ensure only the best of quality leave our doors daily.

Customer service is at the forefront of our operations, and the company values are lived by every member of the team. The goal is to provide the best customer service in the country and make dealing with Newtech the best experience for everyone. Our team of professionals understand our products and will work with you in getting exactly what you need, when you need it.

Innovation and design is the name of the game for us. You can see it all in action at our Concept Showroom in Penrose, Auckland. Whether you're a merchant or end user walking in off the street, our showroom consultants will offer you top notch service from the moment you walk through the doors.

If you ever have any questions or queries, please do not hesitate to give our friendly team a call on 0800 728 662. We would love to hear from you!

From the Newtech Team

MINERAL COMPOSITE IS A MATERIAL THAT FULLY UTILISES THE EXTRAORDINARY PROPERTIES OF DOLOMITE.

Thanks to technology, rock that was formed millions of years ago is turned into resistant and beautiful modern products. The usage characteristics of Mineral Composite are superior to those of traditional materials, which is why it is often called “the ceramics of the 21st Century”.

Its main constituent is calcium and magnesium carbonate – $\text{CaMg}(\text{CO}_3)_2$ – a snow-white mineral with a crystalline structure.

Mineral Composite is a material that fully utilises the extraordinary properties of dolomite, turning it into resistant and beautiful modern products.

WARRANTY

This warranty covers all Newtech StoneCast Mineral Composite and Acrylic baths, and applies to defects which have arisen solely from faulty materials or workmanship in the products and does not apply to other defects which may have arisen as a result of, without limitation, the following: accidental damage, abuse, misuse, maltreatment, abnormal stress or strain, harsh or adverse weather conditions, including excessive water pressure or temperature, or neglect of any kind of the Products.

Newtech warrants that products or product components manufactured and distributed by Newtech:

- Meet or exceed the standard requirement of the New Zealand Building Code; and
- Will be free from inherent defects in materials and workmanship for the extended warranty period applicable to the product.

Newtech will provide replacement product or replacement part (or the nearest equivalent) free of charge where a product is covered by our warranty. Any remedial works will not be covered by Newtech.

The Newtech warranty will not apply where the product has been improperly installed, has been misused, proof of purchase cannot be provided or where the warranty claim has not been notified to Newtech within three months of the problem first arising.

Coloured baths come with a 2-year warranty on manufacturing faults, providing all care recommendations and instructions have been followed. Manufacturing faults include paint blistering, falling off or cracked paint. Wear and tear or damage caused by cleaning with harsh chemicals will NOT be covered under warranty. Please take care during installation as scratches incurred during this time will NOT be covered.

To make a warranty claim, the appropriate documentation must be emailed to sales@newtech.co.nz with the Name/model of product and photographs of the issue; proof of installation by a licensed plumber and/or proof of purchase; your contact details; name, address and best contact phone number.
